Exclusive from  
Maintainer.

Automatically locks  
when you shut it.

Opens with just one  
finger...even if you are  
wearing gloves and  
your hands are full!

Double latch  
system keeps  
drawers securely  
locked during  
transport.

Standard drawer  
sets available for immediate delivery. Custom order drawer sets  
are available upon request.

Drawer heights available from 4" to 12" inches.

Made of 5052-H32.090 (28,000 lb. yield strength) aluminum.

Every drawer comes standard with 2-way adjustable and
